

Dear Family and Friends of Westwood High School,

Each year Westwood High School Project Graduation, a 501 (c) (3), seeks to promote the message that all seniors should celebrate important milestones, such as graduation, free of alcohol and other drugs. The parents and board for Westwood Project Graduation 2017 seek to fully demonstrate just such a celebration by providing a safe, free, all-night, chaperoned party for all of our graduated seniors.

This year we really need your help! Our Project Graduation is an expensive and monumental undertaking, so we must count on the support of leaders in the business community, such as you, to ensure Project Graduation is a success. The students we seek to protect are our sons and daughters as well as your neighbors, customers, and employees. Westwood Project Graduation is proud to ensure all graduates can attend regardless of financial circumstances.

We are looking for Corporate and/or Individual Sponsors to assist with monetary donations or assistance by sponsoring one of the various Entertainment Stations we have scheduled for the evening.
